Thank you!

We've had a fantastic start back to school! We are so incredibly proud of every single child – it's been a pleasure to see so many smiles across the academy. We would like to say a huge thank you to all of our parents and carers for your continued support to ensure your child's successful return to school.

World Book Day

We had an amazing time celebrating World Book Day both in school and at home – thank you to everyone for joining in. The Reading Ambassadors and Mrs Webb did a wonderful job of organising the events for the day, including your fantastic assembly celebrating our love of reading. We had some super 'books in a box' and know that all of the children really enjoyed creating them.

National Day of Reflection

On Tuesday, as part of the National Day of Reflection, everyone in school paused for a minute to reflect on the past year. All children had the opportunity to discuss our hopes for the future.

Comic Relief

We had a great day filled with lots of laughter to celebrate the wonderful work of Comic Relief. Everyone enjoyed listening to the funniest joke from each class and participating in the Red Nose Day quiz. Thank you to School Parliament members and Mr Bray for organising this. How many red fruit pastilles do you think Mr Bray can fit in his mouth? Thank you for your generous donations – we raised £149 for Comic Relief!

Polite reminders

Thank you to all adults for respecting social distancing during pick up and drop off times and for wearing a face covering when in the perimeter of the school. Please can you watch your child cross the road safely and away from parked cars. Please be aware of and respect our neighbours when parking.

Limitless Learning!

The food DT units were a great hit with children in school and at home using new skills to create some tasty dishes.

Please ask your child to tell you all about their pets and other animals in French – I'm sure they'll amaze you as much as they do us!

All children have created poetry with a family and friends theme. An exceptional example from each year group has been selected to appear in our Outwood Primary Anthology – we can't wait to see the published copy!

We continue to be wowed by our amazing artists throughout school. Please ask your child what they have been learning about this half term.

Positive Cases

We have been requested by the DfE to continue to track and trace close contacts of positive cases during the break. If your child receives a positive COVID-19 result where the first symptoms developed within 48 hours of them last being in school, we require you to immediately complete the form using this link: <https://forms.gle/UHVLw7ae6LgzXP1w8>
