

Pontefract Community Kitchen (PCK) Shoe box Christmas appeal

Dear Parent/Guardian

Many of you will have heard of Pontefract Community Kitchen who offer meals and help to those in need locally.

Their aim is to support those who are homeless, vulnerably housed, elderly and families at Christmas and we would like to support this activity in our local community.

Our wonderful School Parliament members would like to ask; if you are able to contribute, please decide on a category and place your items into a wrapped shoe box, adding a label (ie adult male, adult female, child (boy, girl and age)). PCK asks that everything is unopened and that you place either a Christmas card or letter into the box.

Pontefract Community Kitchen requires these shoeboxes by the 1st December. In order to process the boxes, we would ask that you bring them by **Friday 26th November**. There will be drop off points at each gate from Wednesday 24th November.

Below are some ideas of what to put into the boxes:

Adult male/female:

Face mask, hand sanitizer, antibacterial wipes, gloves, hat, socks, lip balm, hand cream, sweets, chocolate, note pad & pen, roll on deodorant, shower gel, shampoo, conditioner, hand warmers, tissues, bubble bath

Child:

Face mask, hand sanitizer, small toys, hat, gloves, scarves, colouring books, pens, sweets, chocolate

Thank you in advance.

Academy Council, Bell Lane Staff and School Parliament
