Have you got a hot chocolate or latte mug that you no longer need?

We would be very grateful for any donations towards our hot chocolate reward scheme. Thank you for your support with this.

Playtimes

After feedback from staff, children and parents, we are going to have a big focus on social times and social play. We have been busy creating new play zones, which will teach children about communication skills, fair play and healthy lifestyles whilst also having fun! Keep an eye on our Twitter account for photos and updates.

MFL Ambassadors Update

Our MFL ambassadors have enjoyed organising our first international food day. They wrote to our kitchen staff asking for them to create an international menu and enjoyed eating it on the day. They are looking forward to organising more international activities next half term and promoting languages throughout the academy.

Children's Mental Health Week

Our well-champions work together to promote positive mental health. As part of children's mental health week they aimed to get all classes involved and set everyone a series of challenges to complete based around the theme of Growing Together.
