## End of Summer term

Here we are at the end of a strange year. I was trying to think of a word to sum up the year but there are so many: strange, uncertain, fun, happy, challenging, the list goes on.

This year we have had many challenges but we have got through it and we are at the end. It has been my first year teaching nursery children and I wanted to say thank for your help and support. Your children have been a great start to my teaching in nursery and I have learnt so much from them.

I have really enjoyed getting to know and helping your children over the past year, so thank you to your children too. They have been super stars to have got through the year that we have been part of. They deserve an extra treat this summer holiday.

I cannot stop without saying a huge thank you and well done to all of you. You have been parents and have taken on the role of 'teacher' throughout the year too. I know it has not been easy but you did it and you have done everything you can to support your child in the best possible way.

Have a fabulous summer break and enjoy the sun (hopefully) and relaxing spending time with family.

Thank you very much, Mrs Long

Mrs Lovell would like to say ...

Thank you for your support throughout this challenging year, it has been nice to see some familiar faces and sad to say goodbye to others. I can't wait to see some of you again when younger children arrive in nursery.

Mrs Pumford would like to say ...

What an amazing year with your lovely children. I will miss you all. Have a lovely summer and stay safe.
