

Dear Parent/Carer,

Following the DfE announcement yesterday where schools were advised to swap one of their pre-planned INSET days from the 2020/21 academic year to Friday 18th December, we have made the decision to have an INSET day on Friday 18th December 2020, therefore the last day for all children will be Thursday 17th December 2020.

This decision has been made to ensure that we will not need to contact any parents on Christmas Eve to notify them that their child will need to isolate.

As a result of this, the pre-planned INSET day on Friday 23rd July, will now be a teaching day and the school will be open to all children - please note this is the last day of the academic year.

We are very sorry for the short notice in our communication, this is due to the short notice provided from the Government.

Further information regarding how and when you need to contact school regarding positive COVID results during the Christmas period will be provided over the following days.

Thank you for your continued support during these ever-changing times.

Mrs R Hewitt
Principal
