Please note:

'Live' means that your child should log on to Google Meet

'Log on' means that your child should log on to Google Classroom where there will be instructions for your child's learning.

If you are experiencing any technical issues or you do not have your child's Google Account details, please contact school via remotelearning@belllane.outwood.com

All children will be expected to engage in the learning. Where work is not submitted as expected, we will contact you to discuss further. If there are things that we can do to support your child accessing learning, please do not hesitate to contact us.

We will be providing a number of live lessons throughout the day. It would be beneficial for your child to attend these but if you are unable to do so, please do not feel pressured - we understand that every household will have their own challenges.

Again, thank you for your patience. We are doing all that we can to respond to this new situation as quickly as possible. We are in this together and we will do everything we can to support you and your children at this key time.

Be kind to each other and stay safe.

Yours sincerely,

Mrs R Hewitt
Principal
