Dear Parent / Carer,

As part of our continued drive to support local community groups, for Harvest this year we will be collecting dried/tinned goods for Hemsworth Food Pantry and Wakefield Street Kitchen.

Hemsworth Food Pantry is one of our local food banks. They help people and families by providing hope and reassurance through support and putting them in contact with other support networks as well as providing much needed food. In order for them to provide this much needed service, the food bank depends upon donations from members of the public and organisations. Wakefield Street Kitchen is a charitable organisation based in Wakefield, offering food, clothing and support to the homeless. We have been made aware that our local food banks are really struggling at the moment, so we will be having another food collection to support them.

If you wish to support these amazing resources, please send any donations (please see the list below for suggestions) with your child from **Tuesday, 17th October to Friday 20th October**.

Unfortunately, we **cannot** accept any donations received **after 20th October** as we have arranged collection of the donations directly with the food bank.
